Equal Opportunities Commission: Invited Collaborator Fund.

What is covered?

This fund covers the travel and accommodation costs up to 1000 CHF for invited collaborators to visit the University of Bern and undertake collaborative research with a Faculty of Science UNIBE early career researcher.

Who can apply?

PhD students and postdoctoral researchers working at the Faculty of Science at the University of Bern, who have limited travelling options or opportunities due to care obligations but who want to collaborate with external researchers.

How to apply?

Please send a short application by e-mail to claudia.scherrer@unibe.ch.

The application should include a maximum two page summary of (1) information about the collaboration partners you want to invite and their relevance to your research, (2) a short explanation and budget for the requested financial support, (3) the total amount requested (max 1000 CHF) and (4) the completed payout form (Link via QR code).

Application deadline

Requests can be submitted at any time. Funding will be granted as long as money is available.
